# ENERGY Awareness Awards

Organized by:

Empowered lives.  
Resilient nations.

UNDP and IPT Energy Center (IPT TEC) are organizing the Energy Awareness Awards (EAA) to recognize efforts put forth by institutions and organizations, including businesses, civil society and academic sector, in the field of energy management through reducing their energy footprint and integrating sustainable practices within their respective fields.

## Awards Categories

Category I

Energy Efficiency and Conservation

Category II

Renewable Energy

Category III

Transportation and Fleet Management

Category IV

Sustainability Champions

Appreciation Award 2016: Public Energy Action

## How to Apply?

To make a nomination, download and fill the Expression of Interest form available on [www.lb.undp.org/ea](http://www.lb.undp.org/ea) or on [www.iptgroup.com.lb/ea](http://www.iptgroup.com.lb/ea) and submit it to the UNDP office in Beirut.

Applications close on April 11th, 2016
