

## Energy Awareness Awards

Under the patronage of the Information Minister Mr. Ramzi Jreij, IPT Energy Center and UNDP launched for the first time in Lebanon the Energy Awareness Awards in a news conference as part of the 2015 Beirut Energy Forum at Le Royal Hotel, Dbayeh. The news conference was convened in the presence of Minister Jreij, UNDP Country Director Mr. Luca Renda, IPTEC President Dr. Toni Issa, and UNDP Assistant Resident Representative Mr. Edgard Chehab, in addition to several economic, environmental and civil society organizations as well as representatives of the media. Following the opening notes, Mr. Chehab explained the aim of the project which is to promote sustainable consumption of energy sources and raise awareness on energy-related matters.
