

EQUIPT Introducing Fibrelite™ Sump Systems

EQUIPT sal, The "Petroleum Equipment Store" and member of IPT Group, proudly announces the arrival of Fibrelite™ sump systems by the renowned Swedish brand OPW (Dover group). Fibrelite™ sump systems include tank sumps and fill sumps, and offer an unprecedented portfolio of complementary best-in-class products. Engineered without compromise in the UK, US and Malaysia, Fibrelite is the global standard in Glass Reinforced Plastic (GRP) composite manhole covers, trench covers and underground enclosures. Fibrelite designs and engineers ultra-customizable solutions with an unrivalled strength-to-weight ratio, revolutionary lightness, reassuring safety and a proven reputation for performance. All products are designed and manufactured to resist corrosion, withstand high ground water pressure and extreme temperatures.
