

ISLAND CENTER

DCI- 755424

- *Convenient*
- *Perfect for double-sided island*
- *Perfect for high-traffic location*

Order this Island Center, for Faster & Professional Windshield Cleaning

Are you looking forward to serve your customers the quickest way possible and the most professional way? Top up your services with the "Island Service Center DCI- 755 424" cleaning article that you can find at EQUIPT superstore, and see the results. Ideal for gas stations, the "Island Service Center DCI-755424" is the perfect solution for double-sided islands and high-traffic locations since it adds convenience by servicing both sides of the pump island with double-sided windshield service centers. All units are equipped with two towel buckets, two 2-gallon water buckets, two squeegees and an extra-large capacity waste container. Raised towel and water buckets allow easy access to squeegee and towel dispensers.

Tools Carrying Trolley

* Flex - 004383

Here is Why You Need The Tools Carrying Trolley

Working in a clean and organized environment will help you and your employees reduce stress, find tools easier, thus think clearer and work more efficiently.

Repair or maintenance work? Garage or workshop? Wherever the place, whatever the task type, the **Tools Carrying Trolley (Flex-004383)** is just the thing to carry and store your tools and accessories, no matter how big and varied your tools machinery. It features many compartments for organizing a wide range of tools. The multi-compartment tool carrier keeps tools in sight for quick and easy access.
